

PLANNING A GRAIN STORAGE FACILITY

Guest Speakers:
Philip Burrill (DAF QLD)
Andrew Kotzur (Kotzur)
PB Agrifoods Representative

The DAF CQ Grower Solutions team are delivering three 'Planning a Grain Storage Facility' field days across Central QLD from the 3rd to the 5th December 2019. These field days are open to all CQ growers and advisors and will provide insight on what to consider when planning or expanding a storage facility.

Topics:

Advantages and disadvantages of various storage types

What storage type may suit certain needs

What logistics need considering when building/expanding storage sites

How best to improve your end product
